REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Bluffton Middle School (BLMS) opened in August 2010 as a state-of-the-art facility with 870 6th and 7th grade students. Our community worked hard to establish our School Improvement Council and Parent Teacher Organization. We invited the community in for tours of the building, held family nights, and enjoyed student performances. We sent communications home through our weekly newsletter, frequent phone calls, and ongoing updates to our webpage. Our core beliefs were established and prominently displayed around the school and on our webpage (<http://blm.beaufort.k12.sc.us/>).

The Mustang Path provides a model for proper behavior based on the BLMS mascot, the Mustang. The Mustang Path includes the four core aspects of Responsibility, Academic Excellence, Respect, and Honesty. Students participated in a daily advisory program called Path Time. Technology was present and used by staff and students alike. Outdoor studies included museum visits, math and science experiments, visits from local naturalists and artists, kayaking, and more.

Our school was honored by a visit from Governor Haley on March 31. Governor Haley encouraged students to be the best they can be. She said "we aren't proud of you for what you did yesterday. We're proud of you for what you're going to do tomorrow". As part of her visit, Governor Haley signed our school's pledge against bullying.

95 BLMS students qualified as Duke Tip Scholars. Nine students earned state recognition and one student earned Grand Qualifier status. Students showcased their talents in four productions of the Disney Musical, Beauty and the Beast. Five students were selected for the All-County Orchestra. A Night of the Arts celebrated the arts and showcased student talent. Students were selected monthly by their teachers as "Mustangs of the Month" based upon overall student performance and following the Mustang Path. Teachers also selected Mustangs of the Year from each team. Students participated in a cross-curricular unit of study based on the national program "River of Words." The project integrated English Language Arts, Geography, Science, and Visual Arts. A Spelling Bee and Geography Bee was held. One student successfully went on to compete at the State level of the National Geographic Bee. On November 11, we hosted the Sun City Veterans Association for a presentation to students and community members honoring and thanking the veterans in our community.

Our students participated in a variety of community service projects. Items were collected to benefit Family Promise and Carolina House. Gently-used coats, sweaters and jackets were donated through participation in the Furniture Warehouse Design Gallery Coat Drive. We donated \$350.00 to the The Make a Wish Foundation which provides local children with terminal conditions the opportunity to achieve their final wishes. In addition, students donated \$200.00 to a local family and H2 Builders to help the efforts of Extreme Home Makeover. Students collected over 90 pounds of pop tops to help provide free dental work for members of our community. \$200.00 was donated to the American Red Cross to assist those that suffered from tornado damage. Our Helping Hands drive collected close to 350 canned food items in the fall and our Christmas drive collected close to 300 items.

Congratulations to the Bluffton Middle School staff, students, and parents for a great first year.

Dr. Dereck Rhoads, Principal
